Warunki pracy

Wymagane dokumenty: Qualification Path

No previous professional experience is required to apply to this role, however, working on this project will require you to pass the basic requirements and go through a standard assessment process. This is a part-time long-term project and your work will be subject to our standard quality assurance checks during the term of this agreement.

Basic Requirements

- Working as a freelancer with excellent communication skills with full professional proficiency in English and German
- Having familiarity with current and historical business, media, sport, news, social media, and cultural affairs in Poland
- Active use of Gmail, Google+, and other forms of social media and experience in the use of web browsers to navigate and interact with a variety of content
- Daily access to a broadband internet connection, a smartphone (Android 4.1, iOS 8 or higher), and a personal computer with antivirus software to work on. You'll also need a Barcode Scanner application to be installed on your smartphone to complete certain tasks.

Assessment

In order to be hired into the program, you'll take a language assessment and an open book qualification

exam that will determine your suitability for the position and complete ID verification. You'll also be invited for a short video interview so we can get to know each other better and have a short conversation in German. Don't worry, our team will provide you with guidelines and learning materials before your exam. You will be required to complete the exam in a specific timeframe but at your convenience!
